

TRANSCRIPTION FROM FOREIGN TESTIMONY

VOL. 14

Title Page:

Note: The following Book is copied from a mass of papers from Mr. Parker sent to the Commission without order, several apparently wanting the conclusion, possibly attached to another claim, and by the numbers of the original papers of the sheets (retained) apparently deficient of many entire claims in Evidence as far as the absence of many whole sheets can be deduced from the vacant spaces.

J.H. Smith
